## Key Facts

as of 30 April 2018

### UAC shelters

- **Current: 49** UAC shelters with total **1,101** places

### Safe zones\* (short-term)

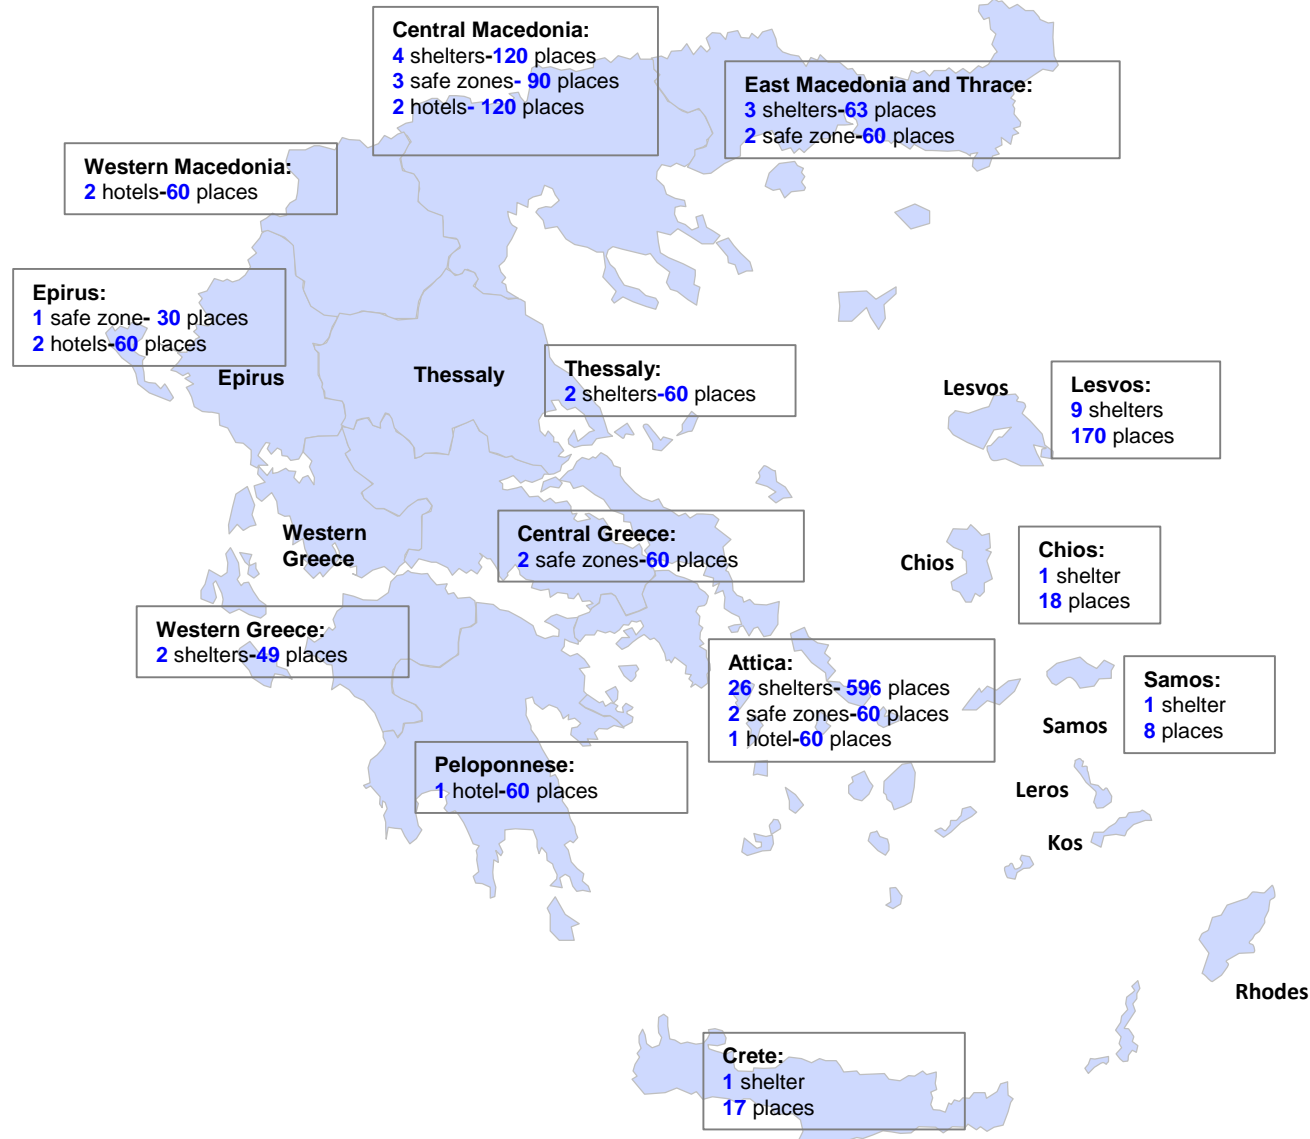

- **Current: 10** Safe Zones for UAC with total **300** places

### Hotels\*\* (emergency)

- **Current: 8** Hotels for UAC with total **360** places

\***Safe Zones** are designated supervised spaces within accommodation sites which provide UAC with 24/7 emergency protection and care. They should be used as short term (maximum 3 months) measures to care for UAC in light of the insufficient number of available shelter places. Safe Zone priority is given to UAC in detention as well as other vulnerable children, in line with their best interests.

\*\***Hotels** are emergency accommodation spaces being used as a measure to care for UAC in light of the insufficient number of available shelter places. Priority is given to UAC in Reception and Identification Centers.
